

SIAM

1890- New Permanent Value.

1 Att.

The design of this value differs from that of the rest of the series in certain small details.

Of these the most conspicuous is: The tablets containing the value at the base of the stamp are much taller in the 1 Att stamp.

The words "Siam-Postage and Revenue" are also larger in this value and the oval containing the King's portrait is more nearly circular.

This stamp is the only instance of the occurrence of a marginal control amongst the postage stamps of Siam.
